Dear TLC Education Ministry Supporter,

The Education Ministry of True Love Center is writing to seek your support to help our mission move forward.

Our mission is to provide financial assistance to qualified True Love Center college students who are pursuing higher education. We encourage and help promote academic achievement and support the students throughout their undergraduate studies. We serve as part of their village and provide additional scholarship opportunities as they become available.

We ask you to strongly consider supporting our mission to bless our college students by making a financial donation. Your donation allows our ministry to provide Move In Baskets for the Freshman who are entering college for their first semester and allows us to provide a scholarship to qualified college freshman and continuing students twice a year while they are pursuing their undergraduate degree. Please indicate the level of support you are providing:
